FEDERAL COMPLAINT

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF FLORIDA

Jason S. Arnold,
Plaintiff,

v.

X Corp. (formerly Twitter, Inc.),
Defendant.

COMPLAINT FOR DAMAGES AND INJUNCTIVE RELIEF

Plaintiff **Jason S. Arnold** ("Plaintiff"), a resident of the State of New York, brings this action against **X Corp. (formerly Twitter, Inc.)** ("Defendant" or "X") for **wrongful account suspension, political discrimination, and suppression of free speech**.

JURISDICTION AND VENUE

1. This Court has jurisdiction pursuant to **28 U.S.C. § 1331** (federal question) and **28 U.S.C. § 1332** (diversity jurisdiction), as this case involves constitutional issues and Defendant operates across multiple states, including Florida.
2. Venue is proper in the **Southern District of Florida** pursuant to **28 U.S.C. § 1331** because X Corp. conducts substantial business in Florida and has previously been subject to litigation regarding similar claims in this jurisdiction.

PARTIES

3. **Plaintiff Jason S. Arnold** is an individual and a declared **candidate for Governor of New York in 2026** who utilized X as a primary platform for political outreach.
4. **Defendant X Corp.** is a **privately-owned** company headquartered in San Francisco, California, operating under Florida and federal law.

FACTUAL ALLEGATIONS

5. On or about **March 11th, 2025**, Plaintiff's X account was **permanently suspended** for an alleged violation of "hate speech and directed violence" policies.
6. The suspension resulted from the following comment:

"@trumplicans2024 Can't find those on a tranny, but trans are for liberals who don't want to admit they gay."
7. Plaintiff asserts that this comment:
 - a. **Did not incite violence or threats** as defined by X's policies.
 - b. **Was political satire and opinion**, which is protected under the First Amendment.
 - c. **Was selectively enforced** against Plaintiff while similar or worse comments remain on the platform.
8. Plaintiff **was not provided with a fair appeal process**, and X failed to specify **how the comment violated their policies**.
9. X's enforcement disproportionately impacts **conservative political figures and candidates**, violating fair election practices and discriminating based on political speech.

LEGAL CLAIMS

COUNT 1: VIOLATION OF FIRST AMENDMENT RIGHTS UNDER STATE ACTION THEORY

10. While X is a private company, it **functions as a public forum and engages in viewpoint discrimination**, making it subject to **constitutional scrutiny** under the state action doctrine.
11. X has previously collaborated with **federal agencies (e.g., FBI, DHS) to moderate content**, making its censorship actions **potentially influenced by government interests**.
12. Plaintiff's **political speech was unjustly suppressed**, violating his right to freely express himself **while running for public office**.

COUNT 2: POLITICAL DISCRIMINATION & UNFAIR BUSINESS PRACTICES

13. X's policies **target conservative voices disproportionately**, resulting in an unfair **de facto ban** on political engagement.
14. By removing Plaintiff's account **without clear policy enforcement and without equal application of the rules**, X has engaged in unfair trade practices.
15. Plaintiff has suffered damages in the form of:
 - a. **Loss of campaign outreach & voter engagement**
 - b. **Loss of reputation and suppression of political speech**
 - c. **Financial damages due to disruption of promotional efforts**

RELIEF REQUESTED

WHEREFORE, Plaintiff demands judgment against Defendant as follows:

1. **Immediate injunctive relief** requiring reinstatement of Plaintiff's X account.
2. **Monetary damages** in excess of **\$500,000** for suppression of political speech, reputational harm, and lost campaign engagement.
3. **A declaratory judgment** stating that X's policies constitute unlawful political discrimination.
4. **A permanent injunction** prohibiting X from engaging in further censorship against legally protected political speech.
5. **Any additional relief** the Court deems just and proper.

JURY DEMAND

Plaintiff demands a trial by jury on all issues so triable.

Respectfully submitted,

Jason S. Arnold

**NYS Governor Hopeful,
240 Commonwealth St, Franklin Square, NY 11010**

Phone: 929-699-3448

Plaintiff, Pro Se

MOTION TO PROCEED IN FORMA PAUPERIS

WHEREFORE, Plaintiff respectfully requests that this Court:

- **Grant this Motion to Proceed In Forma Pauperis** and allow Plaintiff to file this lawsuit **without prepaying filing fees** or related costs.
- **Grant any further relief** the Court deems just and proper.

DECLARATION IN SUPPORT OF MOTION

I, **Jason S. Arnold**, declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Dated: 03/11/2025

Respectfully Submitted,

So here is a rule of thumb: Anytime I hear someone say, “We shouldn’t do Y because the left might get violent”, that is a sure fire reason to do Y.

If we do not stand up strong to emotional blackmail and threats of violence or violence itself (think transgender **cult** and **BLM**), they will hold America hostage and do what we’ve seen them do the last 5 plus years. And worse.

Here is the video legacy media ensured the American people didn’t see: Waste of space Floyd dying all on his own.

Worse?
